

School Cancellation Policy

CCNS will close due to inclement weather if all schools in the East Providence School Department close. To be certain of the status of CCNS, please listen to local radio or TV stations for an official announcement of the cancellation. Any parent may request a phone or email notice from the RI Broadcasters Association. A written cancellation policy is available from the CCNS office and will be posted on the website.

CCNS Cancellation Policy

- ❖ If all East Providence schools are cancelled for the entire district, CCNS is also closed (we do not typically make up snow days).
- ❖ If for some very unusual reason CCNS plans to meet when all schools are closed, we will contact each family.
- ❖ If there is a one to two-hour **AM busing delay** for EP Schools, CCNS will meet at the regular 8:30am arrival time.
- ❖ RI Broadcasters Association, local TV and radio stations will broadcast closings; CCNS will appear on the list of cancellations under preschools.
- ❖ If school is cancelled during the school day and an early pick-up is required, all parents will be contacted by phone/text message/email. Notification will also be posted on the RI Broadcasters Association, TV and radio stations. Staff, of course, will take responsibility until parents or designated pick-up persons arrive at school.
- ❖ If CCNS is unable to open due to non-weather issues, parents will be contacted by phone/text message/email. The notice will also be posted by the RI Broadcasters Association. (Please be sure that all your phone numbers are accurate).
